

# WAUPACA CHRISTIAN ACADEMY

## Dress Code

As an educational institution, a dress code has been outlined to avoid distractions in clothing and provide a certain level of uniformity. The dress code has been crafted to maintain a student body that looks respectable, is modest, and yet is comfortable. Students must be in dress code to attend school. If not in the approved dress code, the student will be asked to wait in the office until a parent or guardian brings proper clothing.

Students are asked not to change out of school dress after school unless they are going directly to work from the school. While students are on school property or attending a school-sponsored event, they are to abide by the school dress code.

WCA or Eagle logos are permitted and encouraged on school and athletic apparel. Please contact Vivian Lynn Embroidery (715-256-1212) to have your shirts embroidered. Brands should be limited to one side of the chest and not excessive in size.
